

Cable Advisory Committee Vacancies

The Cable Advisory Committee is currently accepting letters from interested applicants to fill vacancies of the Committee.

The Cable Advisory Committee is a five-member volunteer group of citizens passionate about providing quality national and public programming to the citizens of Freetown. This working group assists with cable license negotiations, public channel content and educational opportunities to learn more about broadcasting, and programming. The committee seeks to have a total of 5 members and would like to have member(s) who have broadcasting, technology background to assist in expanding programming opportunities and educational in these areas.

All interested parties should forward a letter of interest to the Town Administrator/or Board of Selectmen.
